* We – at the Minbar of Tawheed and Jhaad- focus on publishing everything we see from beneficial writings, but spreading a certain piece by a certain author, does not by any means indicate that the author agrees with everything we say, and it does not mean that we agree with him on everything he says in his other writings, and Allah is the One who guides to every good.

* In the case of the author's name being absent next to his article, this is either because the name of the author is unknown to us or because it is written at the end of the article. !
